

AOZ Studio Beta - Bug #1054

Code Completion handling spaces

01/10/2023 03:22 AM - Remi Veilleux

Status:	New	Start date:	01/10/2023
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0:00 hour
Target version:	none		
Affected version:	1.0.0 (B17)		
Description			
<p>When trying to use the code completion feature, for example, typing ACT will expand to Actor, but pressing Spacebar to "continue" completion after a word breaks completion: Actor X for example, or any commands with a space in its name like Hot Spot.</p>
