

AOZ Studio Beta - Bug #174

PC mode - Border showing gaps

02/10/2020 08:57 PM - Paul Kitching

Status:	Closed	Start date:	02/10/2020
Priority:	Normal	Due date:	
Assignee:	Francois Lionet	% Done:	0%
Category:		Estimated time:	4:00 hours
Target version:			
Affected version:	Beta RC2		

Description

The border of a window is not working properly in PC mode. I've attached a pic. The left shows the border as a dotted line and also see-through in the gaps, and the top of the internal part of the window is also see-through. Changing the manifest to Amiga shows the right side of the pic.

```
#manifest: "pc"
#splashScreen:false
load iff "AMOSPro_Examples:Iff/Logo.iff",0
screen scale 0,0.75,1
wind open 1,20,5,30,20,1
wait key
```

History

#1 - 03/24/2020 02:42 PM - Paul Kitching

- Affected version changed from 0.9.4 to 0.9.7

Gaps still showing all round the border when using the border command on a window.

#2 - 08/04/2020 02:02 PM - Paul Kitching

- Affected version changed from 0.9.7 to 0.9.9.4

#3 - 09/11/2020 05:22 PM - Brian Flanagan

- Affected version changed from 0.9.9.4 to Beta RC2

Verified this is still an issue in Beta RC2.
Fails in AOZ mode only. (Amiga works OK.)

#4 - 10/08/2020 02:37 PM - Brian Flanagan

- Estimated time set to 4:00 h

Possibly related to bug [#529?](#)

#5 - 11/17/2020 08:58 PM - Paul Kitching

- Status changed from New to Closed

Working now.
