AOZ Studio Beta - Bug #313

FP issue with Str\$

03/20/2020 06:32 PM - David Baldwin

Status: Closed Start date: 03/20/2020

Priority: Normal Due date:

Assignee: Francois Lionet % Done: 0%

Category: Estimated time: 0:00 hour

Target version:

Affected version: 0.9.7

Description

Calculations using integer and FP variables within Str\$() give an FP result. This wasn't the case with AMOS. See example.

A=10 B#=3.7 C=A/B# Print C C\$=Str\$(A/B#) Print C\$

Obviously there's a work around.;)
