

AOZ Studio Beta - Bug #341

Key repeat has stopped working on Inkey\$

04/13/2020 09:45 AM - David Baldwin

Status:	Closed	Start date:	04/13/2020
Priority:	Normal	Due date:	
Assignee:	Francois Lionet	% Done:	0%
Category:		Estimated time:	0:00 hour
Target version:	0.9.8.1		
Affected version:	0.9.8		

Description

Key repeat has stopped working on Inkey\$, so doesn't load another value until key is released and pressed again.

I think this was still working in 0.9.7.

Example:-

```
#manifest:"pc"  
do  
I$=Inkey$  
If I$<>"" then Print I$,"";  
Wait Vbl  
loop
```

History
