<b>Target version:</b>	0.9.9.4-r2		
<b>Affected version:</b>	0.9.9.4		

#### Description

This gives the error:  
clw 0

This works:  
clw

clw followed by a colour should clear the window to the selected colour. It wasn't in the original AMOS Pro (so the error for Amiga mode is correct), but was added to AOZ previously. If it was decided to remove it from the language, then this bug report can be closed, though I think it was a good addition.

#### History

##### #1 - 08/30/2020 01:49 PM - Francois Lionet

- Assignee changed from AOZ Studio Team to Francois Lionet

- Target version set to 0.9.9.4-r2

Fixed!

##### #2 - 08/30/2020 02:43 PM - Francois Lionet

- Status changed from New to Resolved

Fixed

##### #3 - 11/17/2020 08:50 PM - Paul Kitching

- Status changed from Resolved to Closed
