

## AOZ Studio Beta - Bug #474

### End is treated as Exit when inside a procedure!

09/10/2020 12:56 PM - Brian Flanagan

<b>Status:</b> Resolved	<b>Start date:</b> 09/10/2020
<b>Priority:</b> High	<b>Due date:</b>
<b>Assignee:</b>	<b>% Done:</b> 0%
<b>Category:</b>	<b>Estimated time:</b> 1:00 hour
<b>Target version:</b>	
<b>Affected version:</b> Beta RC2	

**Description**

This bug has been around for quite some time.

I reported it before but could not find it on aozmine, so I added it again.

Example:

```
Print "Done"  
End  
  
Procedure DO_Stuff  
    Print "test"  
    End  
    Print "test2"  
End Proc````
```

Result:

```
test  
Done
```

The "Done" should never be seen, since execution should have stopped in the middle of the procedure.

### History

**#1 - 09/10/2020 01:05 PM - Brian Flanagan**

Looking at the generated code, I see that End is incorrectly being translated as a return from the procedure!

**#2 - 09/14/2020 11:17 AM - Brian Flanagan**

- Priority changed from Normal to High

**#3 - 09/14/2020 11:49 AM - Brian Flanagan**

- Estimated time set to 1:00 h

**#4 - 09/27/2020 04:52 PM - Francois Lionet**

- Status changed from New to Resolved

Finally fixed!
