

AOZ Studio Beta - Bug #650

Calling =Font\$ with a value of zero reported an illegal function call,

01/31/2021 09:19 AM - Francois Lionet

Status:	Feedback	Start date:	01/31/2021
Priority:	Low	Due date:	
Assignee:	Francois Lionet	% Done:	0%
Category:		Estimated time:	1:00 hour
Target version:	Beta 3		
Affected version:	1.0.0 (B3)		
Description			
= Font\$(0) -> works now			

History

#1 - 02/18/2021 10:07 AM - Brian Flanagan

- Status changed from Resolved to Feedback
- Priority changed from Normal to Low
- Estimated time set to 1:00 h
- Affected version set to 1.0.0 (B3)

The illegal function call when referencing Font\$(0) has been fixed for both manifests. Thanks!

In the AOZ manifest, Font\$(0) returns the font information for the first font.
I have no problem with that, however...

According to the results I see in EUAE, in the Amiga manifest:

Font\$(0) should return "".

The actual font information list should start at index 1.
