- Affected version changed from 0.9.3.1 to 0.9.5.1

Tested in 0.9.5.1.

Med Cont no longer causes syntax error, so this can be closed...
...however, Med commands still not working.

#4 - 04/19/2020 10:48 PM - Brian Flanagan

- File Med Load Error.png added

- Subject changed from Med Cont causes syntax error. to Med Load causes format_wrong error. (Formerly, Med Cont causes syntax error.)

- Affected version changed from 0.9.5.1 to 0.9.8.1

re-tested in 0.9.8.1

This specific error (Med Cont) has been fixed, however, the other Med commands still aren't working.
Since I can't close this ticket, I just changed the Subject to something more appropriate now.
