

AOZ Studio Beta - Bug #873

Part of f5 help windows Covered

12/02/2021 09:56 PM - malcolm harvey

Status:	Closed	Start date:	12/03/2021
Priority:	Normal	Due date:	
Assignee:	AOZ Studio Team	% Done:	0%
Category:		Estimated time:	0:00 hour
Target version:	none		
Affected version:	1.0.0 (B11) u17		
Description It seams now in Beta 11 update u17, if you press f5 key in the ide after say putting the cursor on a cmd eg: Sprite, it brings up the little f5 help window but part of the top left is exposed now with some blue object (on top left and covers the first word) . (In Windows10). See screenshot. Note: the Linux version is ok, displays as usual.
