AOZ Studio Beta - Bug #902

Rnd(0) does not function properly in either manifest.

Target version:	none		
Affected version:	1.0.0 (B15)		

Description

Rnd(0) should return the value of the last random number generated.
Instead, right now, it returns 0 all the time.

For example:

```
x=rnd(10)
y=rnd(10)
z=rnd(10)
a=rnd(0) ' should be the same as z
Print x,y,z,a
```

a and z should be identical, since the last random number generated was z
